

What is a Comprehensive Plan?

A **comprehensive plan**, often referred to as a Master Plan, expresses a community's values and preferences. It is the foundation for development decisions, laws, regulations, and policies. It reflects a community's desired future. It is essential to gather public input to ensure that a comprehensive plan articulates these values.

PROJECT TIMELINE

The timeline module is a mobile-responsive linear view of key milestones for a project or program. This is a great place to share **links** to resources, such as a previous [Comprehensive Plan](#).

COMPLETE

Establish a planning committee

Gather representatives from the city council, local business leaders, and community members to form a planning committee.

LIVE

Gather Public Input

Use surveys, meetings, and other methods to assess the community's needs and determine what type of planning is needed.

PLANNED

Develop & Share Draft Plan

Create a comprehensive plan for the city that addresses the vision, goals, and objectives identified during engagement with the community.

PLANNED

Adopt the plan

The city council will vote on the comprehensive plan. If approved, the plan is officially adopted.

PLANNED

Implement the plan

Work with the planning committee, staff, and other stakeholders to implement the comprehensive plan.

PLANNED

Monitor progress

Monitor the progress of the comprehensive plan and make adjustments as needed.

We need your input!

To ensure that our comprehensive plan reflects the needs and interests of our community, we need to hear from you. Please take a few minutes to fill out our comprehensive plan survey to provide your input and ideas.

We value your opinion and appreciate your time in providing your input. Thank you!
