R-21 to C-C, County Utilities

HISTORY, FACTS AND ISSUES:

This request represents a change in zoning on the subject properties from R-21 (Medium Density Residential) zoning to C-C (Crossroads Commercial) zoning. The general motivation for the rezoning is to allow the property to be used at its highest and best potential. The subject property possesses road frontage on Old US 41 North¹ and Barker Road, both County maintained Arterial and Local Roads respectively, is within the Urban Service Area, Old US 41 N Corridor Overlay, and on the border of Neighborhood Activity Center and Suburban Character Areas, which recommend C-C zoning as appropriate (Use Chart attached).

The TRC analyzed the request, the standards governing the exercise of zoning power set forth in 10.01.05 of the ULDC, and factors most relevant to this application, including the neighboring land uses, trending changes in zoning along Old US 41², the lots unique size and shape³, the location of wetlands, and the availability of County utilities, and therefore recommends approval of the request for C-C zoning.
