

2. Measurable goal(s): The County will document each GI/LID structure constructed during the reporting period.
3. Documentation to be submitted with each annual report: The County will provide the GI/LID inventory, which will include the total number of each type of structure (e.g. bio-swales, pervious pavement, rain gardens, cisterns, and green roofs) in each annual report.
4. Schedule:
 - a. Interim milestone dates (if applicable): 2020
 - b. Implementation dates (if applicable): August 2013 (Inventory)
 - c. Frequency of actions (if applicable): Annually
 - d. Month/Year of each action (if applicable): January
5. Person (position) responsible for overall management and implementation of the BMP: County Engineer
6. Rationale for choosing BMP and setting measurable goal(s): Green infrastructure/ LID are approaches that communities can choose to maintain healthy waters and provide multiple environmental benefits.
7. How you will determine whether this BMP is effective in reducing pollution to stormwater in accordance with Part 5.1.4 of the Permit: By incorporating natural processes into the built environment, stormwater management can be improved.

BMP#6: Post-Construction Ordinance Evaluation

1. Description of BMP: The County will assess its ordinances to ensure they do not prohibit or impede the use of GI/LID practices, including infiltration, reuse, and evapotranspiration. At a minimum, the County shall assess the regulations governing road design and parking requirements. (See Attachment: E7-GI-LID Ordinance Evaluation 2013 – Center for Watershed Protection – Code of Ordinances Worksheet Preliminary Evaluation).
2. Measurable goal(s): The County will evaluate the ordinances to ensure they allow the use of GI/LID practices.
3. Documentation to be submitted with each annual report: The County will provide a written report to EPD with the 2014 annual report, which is due February 15, 2015. If ordinance revisions are needed, they must be adopted and submitted to EPD within four years of the effective date of the Permit (December 6, 2016).
