

the 2.5% refund comes from the state, would it not take away anything from the county, Mrs. Dukes answered that additional clarification was going to be received from the Internal Revenue Service (IRS) regarding this process. Chairman Slaughter stated this expansion will not only add to the park, but should increase visitation numbers in our community as well as Wild Adventures Theme Park. Mr. Vigue stated he believes in this community and appreciates the support.

**Purchase of 215 Webster Street Property**, Community Development Director, Rachel Thrasher, presented the item. Mrs. Thrasher stated Lowndes County has an opportunity to purchase property located at 215 Webster Street, Valdosta, Georgia, currently owned by James Council. Mrs. Thrasher stated the appraised value is \$25,000.00 and the acquisition will improve the current development underway.

**Assistance to Firefighters Grant Micro Grant for SCBA Air Cylinders**, Fire Chief, Lloyd Green, presented the grant application. Chief Green stated the grant funds would be used to replace thirty-two (32) of the needed air cylinders. Chief Green stated this grant is for up to \$50,000.00 for equipment with a county match of ten percent. Chief Green stated the total amount for thirty-two cylinders is \$49,600.00, with a county match of \$4,509.09.

**Peterson Road Sewer Main Open Cut**, Utilities Director, Steve Stalvey, presented the item. Mr. Stalvey stated the Lake Park Bellville Road widening requires relocation of the water and sewer lines. Mr. Stalvey stated there is an additional conflict between the sewer main and drainage pipes at the intersection of Peterson Road. The Georgia Department of Transportation (GDOT) stated this change would not be covered in the contract. GDOT has given a quote of \$40,237.50, which includes all materials, labor, equipment, etc. Chairman Slaughter asked what an open cut involves, Mr. Stalvey responded that it is when you have an excavator dig out the portion of the road and a pipe is laid into an open ditch versus a bored line.

## **REPORTS - County Manager**

County Manager, Paige Dukes asked Public Works Director, Robin Cumbus and Emergency Management Director, Ashley Tye, to give the Commission an update regarding the roads with the recent severe weather. Mrs. Cumbus stated all roads will be addressed by the end of the week with five locations being called in over the weekend. Mrs. Cumbus stated three of the five locations were repaired on Saturday night with three large trees being removed which required machines. Mr. Tye stated once the rain stopped, four/five inches were received based on official gauges. The Withlacoochee at Skipper Bridge is at 136.1 and has crested and is starting to level out. Mr. Tye stated there is another rain event through possibly Thursday. Commissioner Marshall asked if Langdale and Naylor Parks were closed, Mr. Tye responded that the Valdosta-Lowndes Parks and Recreation Authority would make that decision and Mr. Tye stated he was in contact with their office. Mrs. Dukes requested an executive session meeting for the purpose of privileged attorney-client communication regarding potential or pending litigation. At 8:51 a.m. Commissioner Griner made a motion to enter into executive session for the purpose of privileged attorney-client communication regarding potential or pending litigation, Commissioner Evans second. All voted in favor, no one opposed. Motion carried.

## **ADJOURNMENT**

At 9:09 a.m. Chairman Slaughter reconvened the work session with no additional information being discussed. Commissioner Griner made a motion to adjourn the work session meeting, Commissioner Evans second. Chairman Slaughter adjourned the meeting.
