Governmental Entity Provides Vehicle

The Parties hereby agree to the following:

- A. **Delivery of Services:** Department agrees to provide Governmental Entity with three (3) Offender work details. Each work detail provided will have a maximum of ten (10) Offenders (“Work Detail”) as well as one (1) full-time correctional officer (“Correctional Officer”). The Work Detail will perform labor on public works projects described in an attachment hereto or as communicated to Department from time to time in the manner provided herein (the “Work”). Department shall have the right and responsibility to control the time and manner of executing the Work through the Correctional Officer that is assigned to supervise Work Detail. For purposes of this paragraph, the Correctional Officer shall be acting as an agent of Governmental Entity. Governmental Entity shall also have the right and responsibility to direct the Correctional Officer concerning the Work. Governmental Entity acknowledges and agrees that the Work shall not include Offender labor that benefits private persons or corporations. The Department’s delivery of services may, at the sole discretion of the Department, be suspended due to the unavailability of offenders, offender or officer illness, or any other cause. In the event the Department suspends the delivery of services, the Governmental Entity will not be charged for the time of suspension.
- B. **Vehicles, Equipment and Supplies.** Governmental Entity agrees to supply vehicles suitable for transporting Work Detail to and from the location or locations of the Work. Governmental Entity agrees that the vehicle(s) supplied shall be caged and equipped for transporting offenders in a secured manner to and from the location or locations of the Work. The Correctional Officer shall be responsible for transporting the Work Detail to and from the location or locations of the Work in the vehicles provided by Governmental Entity. In performing such transportation services, Correctional Officer shall be acting as an agent for Governmental Entity. Government Entity is responsible for ensuring that each vehicle used for transporting Work Details is equipped with a mobile radio which complies with federal law, specifically Federal Communications Commission (“FCC”) Order 04-292. The mobile radio equipment will be high power, with appropriate antennae for maximum output and range of coverage. On December 20, 2004, the Federal Communications Commission (FCC) issued Order No. 04-292, which requires all state and local law enforcement agencies using below 512-megahertz mobile radio equipment to begin using 12.5 kilohertz Narrowband Mobile Communications radios by January 1, 2013. Governmental Entity further agrees to obtain an appropriate automobile liability insurance policy which will provide insurance coverage for the correctional officer’s use and operation of the vehicle discussed in this paragraph. Governmental Entity agrees to provide Department with appropriate proof of automobile liability insurance for said vehicle within thirty (30) days of the commencement of this Agreement. Governmental Entity shall also supply all necessary tools, equipment and supplies for the performance of the Work, including all safety gear and any necessary protective clothing. Small quantities of gasoline shall be dispensed, stored and carried only in containers approved for this purpose by the National Fire Protection Association. Governmental Entity agrees to assume full responsibility for the condition, maintenance, damage or loss of any tools, equipment or supplies provided hereunder.
- C. **Compensation.** Governmental Entity agrees to pay Department the sum of One Hundred Forty-Seven Thousand Nine Hundred Fifty-Nine Dollars (\$147,954.00) per year for the Term of this Agreement. Governmental Entity acknowledges that the foregoing sum is commensurate with labor supplied, salary, and benefits for Correctional Officer assigned to the Work Detail. This
