

frequently as needed.

- 2) The Hazard Mitigation Risk Reduction Specialist reviews the request and supporting documentation. The Hazard Mitigation Manager reviews and approves or denies the request.
- 3) If the request is denied, the Hazard Mitigation Manager will inform you in writing that additional documentation is required to support the request.
- 4) If the request is approved, the Hazard Mitigation Manager will authorize payment of the requested amount.
- 5) Quarterly report submissions must be current in order to receive progress payments.

B. Advance Payments – Advance payments will be made on an exception basis only.

7. Subrecipient Performance – The scope of work (see Exhibit “E”) must be initiated within 90 days of this award notification.

- A. If documentation, inspections or other reviews reveal problems in performance of the scope of work, the Hazard Mitigation Manager will inform you in writing of the deficiencies.
- B. In addition, the State may also withhold all or any portion of financial assistance which has been made available under this agreement until adequate corrective action is taken.

8. Award Expiration Date

- A. The award expiration date runs through MARCH 1, 2026, and has been established based on project milestones established by the applicant in their application. The award expiration date is the time during which the Subrecipient is expected to complete the scope of work. You may not expend FEMA or state funds beyond this date. All costs must be submitted for reimbursement within 60 days of the end of the award expiration date.
- B. Requests for time extensions to the Award Expiration Date will be considered but will not be granted automatically. A written request must be submitted to the Hazard Mitigation Manager with an explanation of the reason or reasons for the delay. Without justification, extension requests will not be processed. Extensions will not be granted if the Subrecipient has any overdue quarterly progress reports. If an extension is requested, it must be received 90 days prior to the award expiration date. When fully justified, the State Hazard Mitigation Manager may extend the award expiration date.
