

## **Development Review Comments**

The following comments are provided by the reviewing departments and are only intended to provide the developer with useful information for planning purposes. This list should not be considered all-inclusive as additional items may appear during the plan review process.

**Fire:** The Fire Department has no comments on the Property but would like to see a better site plan to determine fire department access.

**Landscape:** Development must meet all requirements of the LDR chapter 328 including tree removals and replacements that are in addition to the minimum requirements
